Love expresses itself as Service. Love grows through Service. Love is born in the womb of Service. And God is Love.

I am Love, I shower Love, I share Love, I am pleased with Love.

I bless you that you may bring more and more Love to more and more beings.....

12-14 Feb 2016 – advanced course: apart from meditations and teachings concerning the current shifting world paradigms, half a day will be dedicated to the healer-client relationship, leading clients to a clearer perception of inner processes - also to spiritual protection in connection with major worldly events. Time will be devoted to deepening our spiritual attunement and concrete anchoring in our daily lives and our healing work. Ulrike will also focus on intentions for our BMSI work to reach out to more people and she will share knowledge she has acquired from a Tibetan monk and others. Ulrike asks to be best guided to serve the current needs and help this wonderful work reach old and new generations of spiritual souls alike.

5-8 May 2016 – WLI course III: Fellowship – soul – spirit – ego

This course originally completed courses I and II. Ronald Beesley of White Lodge later added courses IV – VI. William added VII & VIII. Beatrice wrote and added WLI/IX, The Chakras. (Ulrike & William)

ENTER THIS DAY

with your heart overflowing with love, joy and thanksgiving, overjoyed to be alive, to be doing what you are doing, to be where you are, to see the perfection of this day emerge.

Blessed are those souls who can see the beauty, joy and harmony all around them and appreciate it to the full, and those souls who recognise Me in everything and everyone and give thanks for all. Joy is like a stone thrown into the middle of a pool of water; the ripples go out and out to the far edges of the pool and then return to the centre, bringing joy to all they contact on the way.

Love is like a healing balm, healing all wounds, all hurts, all sorrows. So love with My divine love, love the lovable and seemingly unloveable. Love those souls who know not the meaning of love; love your so-called enemies.

When your heart is filled with love, you will know no enemies.

Love is the foundation of this spiritual life.

(Eileen Caddy, *Opening doors Within*, ISBN 0-905249-66-6)

TO SERVE THE WORLD

out of the dynamic union of wisdom and compassion would be to participate most effectively in the preservation of the planet.

Masters of all the religious traditions on earth now understand that spiritual training is essential, not only for monks and nuns, but for all people, whatever their faith or way of life.

The nature of spiritual development is intensely practical, active and effective.

The danger we are all in together makes it essential now that we no longer think of spiritual development as a luxury, but as a necessity for survival.

As a famous Tibetan teaching says: "When the world is filled with evil, all mishaps should be transformed into the path of enlightenment."

(Sogyal Rinpoche, *Glimpse After Glimpse*, ISBN 0-7126-6237-5)
