DO YOU SEE THE PARALLELS IN THE TIMELESS TEACHINGS OF JESUS AND SAI BABA?

Jesus:

"Man cannot live
by bread alone,
but needs every word
that God speaks."

Sai Baba:

"Life is to be dedicated not for
mere food and drink.
It has to be devoted to the
attainment of Bliss
that God alone can confer."

"This planet can provide for human need - but not for human greed!" (Mahatma Gandhi)

The core of this Universe is the Supreme Self (Paramatma). We can describe the Universe, but the Supreme Self is beyond all description.

Both the cognisable and non-cognisable have emanated from the same One Indivisible Consciousness. Each is full and complete within itself.

The individual consciousness is the manifestation of the Cosmic Consciousness. When the material sheath falls off, it merges in its source. The Vedas declare, "This is full, that is full. From the full emerges the full. When the Full is taken from the Full, the Full remains full."

So the Cosmos, the World, the individual – all are embodiments of the Full. Nothing is fractional or incomplete.

Hence, all is indeed Divine. But this awareness of the immanence of the Universal can come to your experience only when the "I" consciousness is forgotten.

When the "I" in you disappears, you automatically become fit to know the 'non-I'.

(Sri Sathya Sai Baba, 5.4.1981)

Here is a potent tool for use with the inflow of the New Age energies:
THE INDIAN GAYATRI

O Thou Who gives sustenance to the Universe
From Whom all things proceed
To Whom all things return,
Unveil to us the face of the true Spiritual Sun
Hidden by a disc of golden Light
That we may know the Truth
And do our whole duty
As we journey to Thy sacred feet.

THE MANTRAM OF UNIFICATION

The sons of men are one
and I am one with them.
I seek to love, not hate;
I seek to serve and not exact due service;
I seek to heal, not hurt.

Let pain bring due reward of light and love.
Let the soul control the outer form,
And life, and all events
And bring to light the Love
That underlies the happenings of the time.

Let vision come and insight,
Let the future stand revealed.
Let inner union demonstrate
and outer cleavages be gone.
Let love prevail; Let all men love.

An invisible thread connects those who are destined to meet, regardless of time, place or circumstance. The thread may stretch or tangle, but it will never break.

*"May we grow in strength – without pride of self.
May we, in our dealings
With all people of the earth
speak the truth and serve
justice.
May the light of freedom,
coming to all darkened lands,
flame brightly – until at last
the darkness
is no more."*

(Dwight Eisenhower)

*"Peace must be constructed
patiently and with unshakable
faith."*

(Pope John Paul II)

(To conclude this Link 65, may I leave you, until Link 66, with the following meditation). William

First, prepare yourself by forgetting your daily life activities and problems. Begin with your usual breathing exercises. Then, go into your heart centre and listen, listen and listen in your heart, and ask as follows :-

"May I become peaceful and in my mind leave the earth world behind, and move out into space consciousness.

There, I wish to join with the Luminous Ones, the Lords of Being, in their higher worlds of light beyond our human vision.

Now, may I ask to gather in new awareness and increased understanding.

From that, may I ask for the individual role and contribution that I will be called upon to play in the unfoldment of the new humankind."

So Be It.....

*Your role will need
Duty, Discipline &
Devotion....*
